## Would you eat this ? Sweet ? Or savoury ?

Today, we have tasted some English specialities. There were sweet and savoury products: Jelly, Lemon curd, Custard, traditional biscuits as sweet dishes and sea salt & cider vinegar crisps with Branston Pickle as savoury dishes.

We preferred traditional biscuits, Lemon curd on toast and Custard. Some of us loved

strawberry jelly! But we didn't like Branston Pickle very much.

Some specialities are very strange but we think they are less strange or disgusting than on the paper we

studied before. That was a good experience and we discovered funny dishes!
